FOUNDER

AMOL S. PANDIT

Amol S. Pandit is the founder and CEO of Omnilearn Professionals Private Limited, a global professional training and corporate learning organization focused on developing future-ready talent. He holds a master's degree in mechanical engineering from BITS Pilani and brings strong expertise in engineering, quality systems, and organizational excellence.

With a decade of experience as an engineer in the Ministry of Civil Aviation, he gained deep exposure to quality management, regulatory compliance, and operational governance. He later transitioned into professional training and consulting, specializing in Lean Six Sigma, project management, business analytics, and leadership development, delivering programs for Fortune 500 companies and leading institutions.

A certified Lean Six Sigma Master Black Belt, Agile Scrum Master, and Business Analyst Professional, Amol is also a recipient of the Indian Achievers Award for his contribution to education and skill development. Under his leadership, Omnilearn has become a trusted global learning partner across multiple high-impact domains.

ABOUT OMNILEARN

Omnilearn Professionals Private Limited is a **global professional training and corporate learning organization** focused on building future-ready skills for individuals and enterprises. **With a presence in India, the UAE, and Canada, Omnilearn delivers industry-relevant classroom and corporate training across domains such as project management, data science, AI & ML, ERP, IT, cybersecurity, quality management, and leadership development.** Their hands-on, outcome-driven approach combines instructor-led sessions, real-world projects, and career support, including resume building, interview preparation, and job assistance. Omnilearn's mission is to empower professionals with globally relevant skills that drive measurable business impact and long-term career growth.

ABOUT THE COURSE

SAP MM (Material Management)

SAP MM (Material Management) is a crucial module in SAP ERP that focuses on procurement, inventory management, and material planning. It helps organizations streamline purchasing, vendor management, stock monitoring, and invoice verification processes. Key functionalities include purchase order management, goods receipt, material valuation, and inventory control. SAP MM integrates with other modules like SD (Sales & Distribution), PP (Production Planning), and FI (Financial Accounting) to ensure a seamless supply chain. By automating material procurement and inventory tracking, SAP MM enhances efficiency, reduces costs, and improves decision-making in business operations. It is widely used in manufacturing, retail, and logistics industries.

Ankita Agrawal →

I am currently pursuing the SAP FICO course at Omnilearn, and I'm having a great learning experience so far. The course was well-structured, covering all key concepts from basics to advanced topics. The trainer was knowledgeable and supportive and explained every concept clearly with real-time examples. Thank you, Omnilearn, for such a valuable training experience!

NIKKI GANGWAR →

I had an awesome time learning at this institute. The SAP modules were explained really well, and getting hands-on practice was super helpful. The instructors were always there to support, which made the whole learning process smooth. Totally worth the money!

Gurudatt Guru →

It was a good experience with Omnilearn. I have completed the SAP FICO course online in 2 months. Trainers are very supportive, and there is sufficient content to get hands-on experience.

Geethasree →

Omnilearn is a professional coaching center for SAP. I took the SAP FICO module, and my mentor, Mr. Amol, was well-versed in SAP FICO knowledge and concepts...

Anubhav sinha →

Omnilearn SAP MM training equips professionals with the skills to optimize procurement and inventory management, driving operational excellence.

Nithin Reddy →

It's been a wonderful training with the trainer for SAP MM at Omnilearn. Whenever I had any issues at that time, I got proper support from the institute. I recommend anyone who wants to have a successful career after SAP training try taking training here.

Chaitra Hiremath →

Outstanding instructor! He is very flexible with scheduling and understands the students' situations well. His extensive knowledge helped me grasp the HCM process clearly. I highly recommend him to anyone looking to upskill in SAP HCM or start a career in this field.
