Meet The Founder

AMOL S. PANDIT

Amol S. Pandit is the founder and CEO of Omnilearn Professionals Private Limited, a global professional training and corporate learning organization focused on developing future-ready talent. He holds a master's degree in mechanical engineering from BITS Pilani and brings strong expertise in engineering, quality systems, and organizational excellence.

With a decade of experience as an engineer in the Ministry of Civil Aviation, he gained deep exposure to quality management, regulatory compliance, and operational governance. He later transitioned into professional training and consulting, specializing in Lean Six Sigma, project management, business analytics, and leadership development, delivering programs for Fortune 500 companies and leading institutions.

A certified Lean Six Sigma Master Black Belt, Agile Scrum Master, and Business Analyst Professional, Amol is also a recipient of the Indian Achievers Award for his contribution to education and skill development. Under his leadership, Omnilearn has become a trusted global learning partner across multiple high-impact domains.

ABOUT OMNILEARN

Omnilearn Professionals Private Limited is a global professional training and corporate learning organization focused on building future-ready skills for individuals and enterprises. With a presence in India, the UAE, and Canada, Omnilearn delivers industry-relevant classroom and corporate training across domains such as SQL database management, project management, data science, AI & ML, SAP, IT, cybersecurity, quality management, and leadership development. Their hands-on, outcome-driven approach combines instructor-led sessions, real-world projects, and career support, including resume building, interview preparation, and job assistance. Omnilearn's mission is to empower professionals with globally relevant skills that drive measurable business impact and long-term career growth.

ABOUT THE COURSE

SAP S/4HANA & FIORI Program

The **SAP S/4HANA & Fiori Certification Program** by Omnilearn is a comprehensive, industry-aligned training designed to equip learners with expertise in the world's most advanced ERP platform. Built on next-generation in-memory technology, SAP S/4HANA enables real-time business processing, while SAP Fiori delivers a modern, role-based user experience.

This program covers **end-to-end business processes across Finance, Logistics, and Supply Chain**, along with hands-on training using real SAP environments. Learners gain practical exposure to core modules such as **FI, MM, SD, and SCM**, integrated with Fiori applications to simulate real-world implementation scenarios.

Designed for both freshers and working professionals, the course follows an **implementation-focused approach**, ensuring participants develop job-ready skills aligned with current industry requirements. With a blend of conceptual clarity, practical exercises, and live projects, this program prepares you to confidently step into roles like SAP Consultant, Business Analyst, or ERP Specialist.

WHY CHOOSE US?

**Expert & Personalized
Mentorship**

**Lifelong Learning
Resources**

**Free Lab
Access**

**End to end
placement support**

**SAP Global Certification
Guarantee**

**Complementary Resume
Building from Experts**

Guaranteed Internship

ABOUT PLACEMENTS

01.

We offer 100% Placement Assistance, backed by a strong network of 300+ Placement and Internship Partners to support your career growth.

02.

We have successfully placed more than 5000 candidates throughout our journey

03.

Students who complete the mandatory training program qualify for our placement assistance program

04.

Real-time training and excellence make Omnilearn the recruiters' top choice
